

A skateboarder is captured mid-air, performing a trick in a skatepark. The skateboarder is wearing a white t-shirt with a graphic, grey shorts, white socks, and dark sneakers. The skateboard is visible below their feet. The background shows a concrete skatepark with ramps and a fence, with green trees in the distance. The word 'POWER' is overlaid in large, white, stylized letters across the center of the image.

POWER

TRAINING - FOR - WORK

01

CREATING A PERMANENT TRAINING-FOR-WORK HUB

THE GOAL:

Leith / Central Edinburgh | Launching September 2026

EWP - TEAM

COLIN, PAUL, ANDY, CAMPBELL & COLIN

The Edinburgh Wheels Project is a Community Interest Company supporting people furthest from employment through practical, creative training.
